CIVIL ACTION NO.

04-12208-WGY

**PLAINTIFF' BARBARA CONNICK'S FIRST SUPPLEMENTAL ANSWERS TO
DEFENDANT'S FIRST SET OF INTERROGATORIES**

Now comes the Plaintiff, Barbara Connick ("Connick"), pursuant to Rules 26 and 33 of the Federal Rules of Civil Procedure, and hereby answers the following interrogatories which have been propounded by Defendant Continental fully in writing and under oath.

INTERROGATORIES

INTERROGATORY NO. 17:

Please identify and describe the nature of your leave from CNA in 1995, including, but not limited to, the reasons for the leave, any persons with knowledge of the facts and circumstances of this leave and the issues upon which you believe they have knowledge.

RESPONSE NO. 17:

To the best of my recollection I took a medical leave from CNA in 1994 because I was being harassed by my second level supervisor Stave Gallagher and stalked by my immediate supervisor, Margaret Marone and Steve Gallagher. I believe that the leave commenced in 1994 after I had an anxiety attack at work after being harassed and stalked over a period of time of several months. I told my husband Paul Connick everything that occurred that prompted this leave of absence. I also told Slavinka Milloutin, my doctor at Quincy Mental Health who treated me what occurred. I returned to work part time sometime in 1995 and eventually returned to work full time a month or two later.

INTERROGATORY NO. 18:

Please identify and describe the nature of any leave from CNA, including, but not limited to, the reasons for the leave, any persons with knowledge of the facts and circumstances of this leave and the issues upon which you believe they have knowledge.

RESPONSE NO. 18:

To the best of my recollection the only leave that I took from CNA is described in my answer to Interrogatory no. 17.

SIGNED UNDER THE PAINS AND PENALTIES OF PERJURY THIS 1ST DAY
